

# Stickfast Glue Guns

A range of lightweight and ergonomic glue guns with a simple 4-way choice of hotmelt adhesives giving a solution for just about every situation.

- **Ergonomically designed** with long triggers, narrow profiles and robust but lightweight construction to eliminate operator fatigue.
- **Glue adjuster** allows the operator to easily pre-set the amount of glue, especially useful for repetitive work (GX300, GX600).
- **One year warranty**, subject to using genuine Stickfast hotmelt glue sticks.

<p>● <b>GX120 Light Duty</b></p>  <p>Entry-level industrial quality, ideal for dispensing small amounts of glue. Cost-effective for multiple operators. Removable stand.</p>	<p>● <b>GX300 Medium Duty</b></p>  <p>Best seller! High output industrial quality, with variable temperature control and glue flow-rate adjustment. Comfortable rubberised grip. Removable stand.</p>
<p>● <b>GX600 Heavy Duty</b></p>  <p>Industrial 600W glue gun. Uses 18mm glue sticks for maximum output. Rubberised grip and long trigger for comfort. Built-in stand.</p>	<p>● <b>GX600A Heavy Duty Air Assisted</b></p>  <p>Effort-saving air switch designed for the repetitive application of large quantities of glue. Pressure gauge and regulator included.</p>
<p>● <b>GX80 Light Duty Hobby/Craft</b></p>  <p>Suitable for floristry, craft and hobby applications. An inexpensive glue gun that does not compromise on quality or versatility. Removable stand.</p>	<p>● <b>GX80LT Light Duty Low Temperature</b></p>  <p>Operates at a lower temperature (120°C) than the standard GX80, reducing the risk of accidental burns; ideal for educational use. Removable stand.</p>
